Check if this rebate coincides with an Energy Efficiency Loan.

NOTE: This heat pump water heater rebate applies to new and existing residences or facilities. The rebate amount shall not exceed the purchase price. The HPWH shall be installed on a residence or facility receiving electrical service from CEC.

Customer Signature and Acceptance of Terms:
By signing below, I hereby certify that all information contained in this rebate application is correct, and that I have accepted and agree to abide by all program requirements, terms and conditions. I further acknowledge that CEC may verify the accuracy of all information provided and may be subject to on-site inspections. I recognize that all the elements of the program are subject to periodic review and can be amended, altered or discontinued at the discretion of CEC. I understand that the rebate credit for which I am eligible will be credited on my CEC electric bill, or a bill credit or check (if no active account) will be issued in the landlord's name, if applicable. I agree to hold CEC harmless from any problems arising from the installations and the operation of these systems or from any energy-saving claims, as these are solely the responsibility of the installer/seller.
