Solar Water Heater Information

DATE INSTALLED: _____ DATE OF PURCHASE: _____

Contractor Company name (if applicable): _____

Installation Cost	FSEC Certification Number	Rated BTU Output	Brand/Model

Check if this rebate coincides with an Energy Efficiency Loan.

NOTE: Solar water heater rebates are for existing residences or facilities only. The rebate amount shall not exceed the purchase price. The proposed system must meet the Florida Solar Energy Center (FSEC) specifications and be installed by a contractor certified to install solar water heating systems by the Florida Department of Professional Regulation Construction Industry Licensing Board. The system shall be installed on a residence or facility receiving electrical service from CEC.

Customer Signature and Acceptance of Terms:

By signing below, I hereby certify that all information contained in this rebate application is correct, and that I have accepted and agree to abide by all program requirements, terms and conditions. I further acknowledge that CEC may verify the accuracy of all information provided and may be subject to on-site inspections. I recognize that all the elements of the program are subject to periodic review and can be amended, altered or discontinued at the discretion of CEC. I understand that the rebate credit for which I am eligible will be credited on my CEC electric bill, or a bill credit or check (if no active account) will be issued in the landlord's name, if applicable. If the rebate is used in conjunction with a CEC loan, the rebate will be applied to the principle balance. I agree to hold CEC harmless from any problems arising from the installations and the operation of these systems or from any energy-saving claims, as these are solely the responsibility of the installer/seller.
