SURGE PROTECTION

Price Guide*

Meter Base Only - \$190

(Meter Base surge protection is required before you can purchase the Plug-in Module.)

Plug-in Outlet Modules - \$80

(We recommend buying the Plug-In Module at the same time as the Meter Base, or requesting one during the Meter Base installation. A sale after the Meter Base is installed will incur a separate trip fee.)

Prices subject to change

***Fla. state sales tax will be added to all prices.**
